

Government of the People's Republic of Bangladesh
Ministry of Road Transport and Bridges
Road Transport and Highways Division
Dhaka Transport Coordination Authority (DTCA)
Office of the Project Director
**Preparation of Comprehensive Transport Master Plan for
Narayanganj and Gazipur City Corporation**
Nagar Bhaban (Level-13), Fulbaria, Dhaka-1000.

Memo: 35.02.0000.012.14.006.2022-20

Date: 19/07/2022

**Request for Expressions of Interest (EOI) for Consultancy Services of
Preparation of Comprehensive Transport Master Plan for
Narayanganj City Corporation**

1. Background:

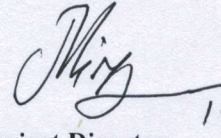

Narayanganj is one of the prominent and busiest river port cities in Bangladesh and has always been very popular among traders for various regional and international trades. At present, it is one of the densest cities of the country. Considering the transport problems of the city, the Government of Bangladesh (GoB) intends to formulate a Comprehensive Transport Master Plan (CTMP) with Pre-Feasibility study of Mass Transit System and Conceptual design of Multimodal Hub focusing on social, economic, environmental and peoples' participation for Narayanganj City Corporation Area. The implementing agency is DTCA under the Ministry of Road Transport and Bridges. In order to prepare Transport Masterplan for NCC, DTCA intends to appoint Consulting Firm (s), (National) for Preparation of Comprehensive Transport Master Plan for Narayanganj City Corporation

2. Scope/Tasks of the Consultancy services:

The tasks of the consultancy services are as follows-

- Review existing plans of various agencies, necessary data analysis and evaluation of the current and future need of public transport system based on current and future demands.
- Conduct traffic surveys, (namely household interview survey), cordon line survey, screen line survey, public transportation survey etc.
- Prepare a comprehensive transportation demand model based on existing system. An operational model for the area will be developed using transport modeling software. This model will be used for any necessary corridor or subarea studies and evaluations.
- Prepare future infrastructure improvements plan and projects. Prepare road network development plan. Prepare transport management measures and policy actions.
- Prepare plan and Conceptual design for multi-modal transportation hub based on Master Plan. Prepare program and different measures for traffic management and its safety. Identify and study the route for Mass Transit System (MRT, LRT, BRT) and priority projects.
- Design an improved bus network system and integrate bus services plan with other modes. Recommend and develop institutional arrangement and capacity building of Transport Authority.
- Identify necessary projects, schedule, responsibilities, costing, and funding sources to meet future demand, prepare roadmap and implementation plan by involving and integrating all relevant stakeholders of the Government ministries and agencies, major development partners, private sectors and NGOs.

- Analyze the projects which are being prepared and/or implemented in the area and incorporated into the framework of Master plan.
3. The Project Director now invites Consulting firm(s) (National) to express their interest in providing the above services. Interested consultants must provide information indicating that they are qualified to perform the services. The EOIs will be reviewed on the basis of the following and the Consulting firm(s) is requested to submit the supporting documents properly and sequentially in support of the above-mentioned scope of works: (i) *Registration of the firm (s)*, (ii) *Company profile: including management personnel, firm's speciality, performance etc.*, (iii) *Availability and Summary of qualification of key professionals*, (iv) *List of rendered services in last 5(five) years* (v) *Experience in similar tasks/projects*, (vi) *Yearly turnover of the firm for last 5 (five) years* and (vii) *Annual Audit Report for last 3 (Three) years* and (viii) *History of litigation in courts or any arbitration proceedings (if any)*.
 4. Applicants may arrange joint venture, consortium or association (JVCA) with other consulting firm(s) to enhance their qualifications but should clearly/explicitly mention whether the association is in the form of a "Joint Venture" or "Sub-consultancy".
 5. The Consulting firm will be selected in accordance with procedures set out in the Public Procurement Rules (PPR), 2008. (Reference 105(1))
 6. It is expected that the service will commence in November 2022.
 7. Expressions of Interest (EOI) for the above study must be Submitted to the address below by office hours on 07 August 2022. The envelopes must be clearly marked "EOI for Preparation of Comprehensive Transport Master Plan for Narayanganj City Corporation".
 8. The procuring entity reserves the right to accept or reject all EOIs.
